Presents

CLAIM IT! MAINTAIN IT! RETREAT

July 27-29, 2016

Gaylord Palms Resort, Orlando, FL

Stephanie B. Coursey Bailey, MD, MS is a lifetime champion of community health excellence. Dr. Bailey has served as a life coach for women, tweens and young men - facilitating them living into their greatness. Her message of health and greatness has been heard by many audiences through her many speaking engagements. Dr. Bailey is a published author and requested as a speaker internationally, nationally, regionally and locally on many subjects pertaining to community public health excellence; achieving and being your best (organization or individual); what we can do better and therefore, we must. She is a prolific reader and knows that learning never stops.

Please join us for two powerful and comprehensive days of unbundling and living into the greatness of you. Participants will learn to become conscious creators of their lives. Dr. Stephanie Bailey will guide participants through a self-exploration immersion that will lift everyone to new heights.
